

## **Implementation of Wales & West Utilities (WWU) External Web Site in Support of 3<sup>rd</sup> Party Connections Process (Wales & West Utilities Briefing Note 8)**

### **1.0 Introduction**

In order to provide the relevant forms, briefing notes and useful documents and guidance WWU has introduced a section on its external web site where these documents can be accessed.

### **2.0 Requirements**

UIP and GT customers may access relevant documents from this section of its external internet site in support of the 3<sup>rd</sup> part process.

### **3.0 Wales & West Utilities Web Site Link**

Documents can be accessed by using the following link and looking up the 3<sup>rd</sup> party connections section of the site.

<http://www.wwutilities.co.uk/>

### **4.0 Queries**

Queries relating to the use of the above documents should be initially directed to the network 3<sup>rd</sup> party connections office.

### **5.0 Implementation**

This email facility is available for UIP/GT and those organisations interested in 3<sup>rd</sup> party connections following close of business on 25<sup>th</sup> January 2008.
